

WORKSHEET FOR CALCULATING CASH DONATIONS SAMPLE "B"

Refer to page 4 to complete this form. Two Worksheet Explanation samples are provided on the program website.

If you are using one completed 12-month fiscal period, use the first shaded column; for two fiscal periods, use the first and second shaded columns; for three fiscal periods, use all three shaded columns.

If Line (C) exceeds \$1000 in any fiscal year(s), **DO NOT** use additional columns to complete this worksheet.

NOTE: We do not require fiscal information already provided in previous applications.

Your organization's completed 12-month fiscal period.

	Using 1 Year	Using 2 Years	Using 3 Years
Start:	September 1, 2010	Start:	Start:
End:	August 31, 2011	End:	End:
(A) Total Revenue (GROSS):	(A)\$ 463,335.00	(A)\$	(A)\$
(B) Deductions:			
Government Funding	\$ 30,000.00	\$	\$
Grants/monies received from Non-Government Agencies, Foundations, other Nonprofit or Charitable Organizations	\$ 22,500.00	\$	\$
Fundraising Revenue	\$ 313,650.00	\$	\$
Business/Corporate Donations or Sponsorships	\$ 33,150.00	\$	\$
Other Revenue	\$ 18,770.00	\$	\$
Total Deductions - add all (B) lines in each column	(B)\$ 418,070.00	(B)\$ 0.00	(B)\$ 0.00

Take Line A (Total Revenue) and subtract Line B (Total Deductions) from the same column to calculate Line C (eligible cash donations).

Subtotal of eligible cash donations from individuals	(C)\$ 45,265.00	(C)\$ 0.00	(C)\$ 0.00
-------------------------------------------------------------	------------------------	-------------------	-------------------

*Add the appropriate (C) line(s) together to calculate the total eligible cash donations. **Put the final total on line (C).***

(C) Total Eligible Cash Donations from Individuals (C) \$ 45,265.00
(Must be a minimum of \$1,000)

COMMUNITY SPIRIT PROGRAM WORKSHEET EXPLANATION - SAMPLE "B"

If the figures from your financial statement can easily be transferred to the calculation worksheet, you do not need to provide additional information.

If the financial information on the calculation worksheet combines figures from various sources on your financial statement, this document provides an option to easily track the financial information as it is transferred to the Worksheet for Calculating Cash Donations. You may use the format provided below or create your own. Ensure your document is attached to the completed application.

***Codes:**

- | | |
|-----------------------------------------|---------------------------------------------------------|
| 1 = Total Revenue | 5 = Business/Corporate donations/sponsorships |
| 2 = Government Funding | 6 = Other Revenue |
| 3 = Grants from Non-government agencies | 7 = Total of (B) Deductions |
| 4 = Fundraising revenue | 8 = Total eligible cash donations - (A) minus (B) = (C) |

NOTE: You may wish to use 'colour coding' rather than numbers to identify the different categories.

General Revenue		Codes*
Interest Income	\$ 275.00	6
Grants	\$ 22,500.00	3
Government Funding	\$ 30,000.00	2
